Thank you very much for the stay. The apartment we stayed in was centrally located which helped us a lot to walk to various important monuments we wanted to visit. There was very good communication with the hosts who took care of our comfort as well as giving us tips on places worth visiting. We highly recommend it!! ✨

Stayed a few nights

Such a lovely place! I have stayed in many apartments in this area and it's so hard to find a quiet one and have a good sleep. So Anca and Vlad's apartment is one of them, sparkling clean, comfy bed, fresh towels and bed sheets and everything you need for cooking and have a tea/coffee. There is a fridge, tv with netflix, iron, hair dryer, it's perfect for being in the heart of the city. Highly recommended and I'll be back!
