Stayed a few nights

Traditional apartment in the heart of the City.

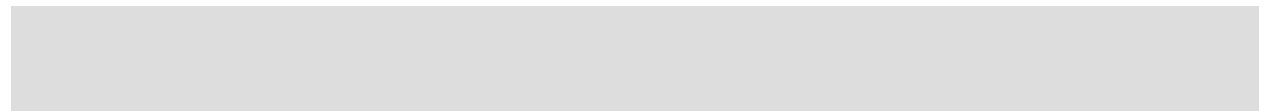

Seconds away from all the sights and surrounded by shops , cafes and bars which made everything so easy.

The apartment is large and comfortable and the espresso machine with good coffee was a real plus!

We enjoyed our stay and the family are very kind and helpful.

Absolutely amazing place, this was the second time I stayed here and I will return in the future for sure. Highly recommend it, walking distance to so many places, from the Old Town, to the shopping center, subway, close by Mega Image or 24/7 boutique on Calea Victoriei and if you have a car, Piata Națiunilor parking just across the street. Clean, beautiful place with everything you need and more inside.

Great Location! Old town restaurants & shopping are located right outside your door. An easy walk (maybe 8 minutes) to the Parliament building & city park. Continue walking a little further, and arrive at the new Orthodox cathedral. Despite being located at a busy intersection, the apartment is quiet. I am a light sleeper and I slept great. The apartment is beautiful, completely updated and comfortable. Absolutely enjoyed our stay here.

Stayed a few nights

We really enjoyed our stay here in the heart of Bucharest. The location is greatly placed to explore the sights around the old town with great access to local bars and restaurants. The apartment faces a busy road although it's quiet inside the apartment. The apartment is well equipped and smartly furnished. It has everything you need for a city break. Loved our trip to Bucharest and the local trips to the castles and the Therme Spa are well worth visiting. Thank you Vlad and Anca, we had a lovely trip.
