Stayed a few nights

This cozy, centrally located apartment was perfect for my family. The beds were comfortable, even the couch was a spacious, supportive mattress for one of our teenagers. Walk to the old town in 25 minutes, many restaurants and grocery stores closer. The street noise was occasionally loud at night, but earplugs would solve this problem.

The place is spacious, sparkling clean, and in a great location. It is packed with thoughtful touches of amenities (equipped kitchen, coffee stations, high-speed Wi-Fi, smart TVs, laundry facilities, etc.) that really help us make our stay very comfortable and convenient. Highly recommended!

Stayed a few nights

Vlad's apartment was in a neighbourhood with plenty of shops, bars and restaurants and was less than 20 minutes on foot to the Old Town.

The apartment was clean and the bedrooms were good sizes. Plenty of towels available per guest too.

We didn't use the kitchen but there seemed to be plenty of utensils etc. No oil or condiments though so you'd have to bring your own if you intend to cook. The kitchen is also a little small, but when there's so many restaurants around - who cares?!
