Stayed a few nights

We had a wonderful stay at Vlad's apartment in Bucharest. The interior design is thoughtful, harmonious, and very pleasant — everything feels well-considered and welcoming. The apartment was exceptionally clean, and it had all the necessary amenities: a coffee machine, fridge, dishes for cooking and dining, a washing machine, and a dishwasher. The hosts had even prepared coffee and tea, which was a lovely touch.

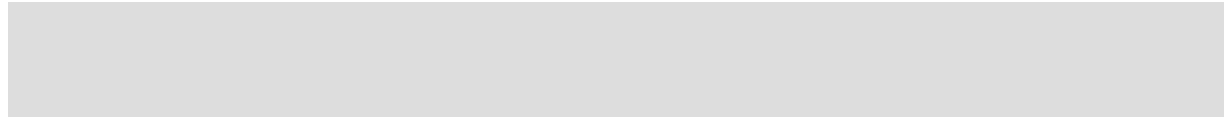

Vlad and the hosts were very friendly, responsive, and helpful throughout our stay.

Thank you very much — we truly appreciated your hospitality.

We would definitely recommend this apartment to other guests.
